CONVENTIONAL HOLLOW OPTIONS

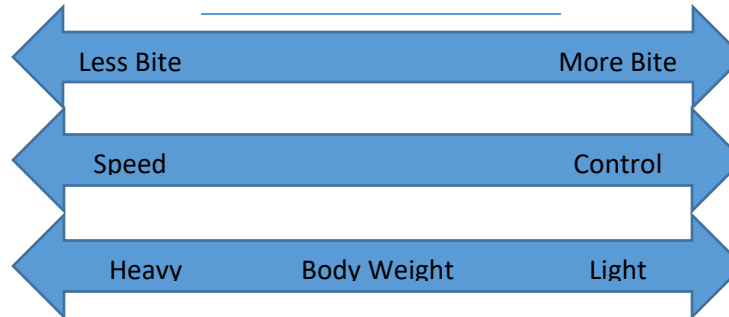

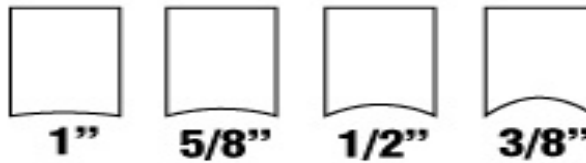

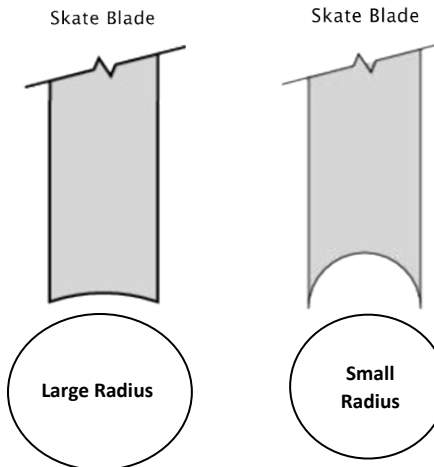

FIGURE SKATES

- \$12 - SAME DAY
- \$10 - OVERNIGHT
- \$10 - NEW SKATES

LARGE RADIUS CREATES "Shallow Hollow"

- Not so sharp feel
- Less edge
- Less surface area contact with ice
- Less grip (more maneuverable)
- Less drag (faster)

SMALL RADIUS CREATES "Deep Hollow"

- Sharper Feel
- More edge
- More surface area contact with ice
- More grip (Less maneuverable)
- More drag (slower). You'll lose glide to excess friction and be working harder.
- May have trouble stopping without chatter or going over the top of your skates
- Will be able to hold a very tight turn
